With Trailer & Blown Motor

## Description

The used 2006 Godfrey FunDeck GS232 is a versatile deck boat designed for families, anglers and anyone who enjoys making the most of a day on the water, offering the open space of a pontoon with the handling feel of a traditional runabout. With its roomy layout, comfortable seating and practical deck design, the GS232 is well suited to everything from quiet morning fishing trips to lively afternoon cruises with friends, where there is space to stretch out, stow gear and enjoy the ride. As a pre-owned model, its overall value will depend on condition, engine hours, maintenance history and onboard equipment, so buyers should look for signs of careful ownership such as clean upholstery, a solid deck, well-kept controls and a properly serviced outboard or stern drive. For those seeking an affordable, family-friendly boat with proven usability, the 2006 Godfrey FunDeck GS232 remains an appealing choice that can turn ordinary weekends into memorable adventures afloat.
