Short Description
With Yamaha VF200XB and Roller Trailer

Description
The 2025 Alumacraft Competitor 205 with a Yamaha VF200XB outboard and roller trailer is a serious fishing package built for anglers who want space, strength and dependable performance every time they head for the water. At around 20 feet, the Competitor 205 offers a confident, stable platform for casting, trolling or taking the family out for a relaxed day on the lake, while its well-planned layout gives you practical storage, comfortable seating and plenty of room to move when the bite is on. Paired with the Yamaha VF200XB, this rig delivers smooth acceleration, responsive handling and the trusted reliability Yamaha is known for, making it well suited to both early-morning fishing runs and longer days exploring new waters. The included roller trailer adds everyday convenience, especially at varied launch ramps, helping make loading and unloading simpler so you can spend less time at the dock and more time enjoying the adventure ahead.
