Short Description

With Yamaha F60LB and Aluminum Bunk Trailer

Description

The 2025 Carolina Skiff E16JVXCC is the kind of compact fishing boat that proves you do not need a huge vessel to enjoy a proper day on the water. With its practical center console layout, easy-to-handle size and stable Carolina Skiff design, it is well suited to anglers who want to slip into shallow creeks, work quiet inshore spots or spend a relaxed morning casting along the banks. Its manageable 16-foot class footprint makes launching, towing and storing refreshingly straightforward, while the open deck gives you room to move, cast and keep your gear organized. Whether you are chasing redfish, trout, bass or simply taking a friend out for a few hours of fishing, the 2025 Carolina Skiff E16JVXCC offers a smart mix of simplicity, durability and fishability in a little boat that feels ready for plenty of big memories.

We offer this boat with a Yamaha F60LB outboard engine and an aluminum bunk trailer.
