Description

The 2026 Stingray 173CC is a smart, easy-handling center console boat designed for boaters who want big-day versatility in a compact, manageable package. Ideal for coastal cruising, lake adventures, family outings and light fishing, the 173CC combines Stingray's efficient hull design with a practical open layout that makes moving around on deck feel simple and natural. Picture an early morning run to your favorite fishing spot, rods ready and the water calm, followed by an afternoon cruise with friends, where the comfortable seating, straightforward controls and responsive performance keep the day relaxed from start to finish. Its size makes it appealing for first-time buyers and experienced owners alike, offering easier towing, storage and launching without losing the confident feel expected from a quality center console. For anyone comparing compact fishing boats, family-friendly runabouts or versatile entry-level center consoles, the 2026 Stingray 173CC stands out as a capable, stylish and enjoyable choice built for making more of every trip on the water.
