## Description

The 2026 Stingray 231DC in Indigo Blue is the kind of boat that makes every trip to the water feel like the start of a great story. With its striking deep-blue finish, this dual console model has a confident, premium look at the dock and an even better presence underway. Designed for families, couples and weekend adventurers, the Stingray 231DC offers a versatile layout that suits everything from relaxed cruising to watersports, coastal exploring and quiet afternoons anchored in your favorite cove.

Step aboard and you will find a welcoming cockpit, comfortable seating and a practical design that makes it easy to move, socialise and enjoy the day. The dual console configuration provides excellent protection from the wind while creating a smart, open feel, making it ideal for changing weather and longer outings. Whether you are taking friends for a sunset cruise, packing the cool box for a full day on the lake, or towing the kids for some fun behind the boat, the 2026 Stingray 231DC is built to adapt. Its manageable size gives owners the confidence to handle busy marinas and trailer launches, while still offering the space and comfort expected from a quality family boat.

The Indigo Blue colour adds a refined, sporty character that pairs beautifully with the boat's sleek lines and modern profile. For buyers looking for a stylish, capable and enjoyable bowrider-style dual console boat, this 2026 Stingray 231DC is a standout choice that blends performance, comfort and everyday usability in one impressive package.
