With Yamaha F70LB and trailer.

Description

The 2026 Alumacraft Classic 165 Sport with Yamaha F70LB and trailer is a smart choice for boaters who want dependable performance, easy handling and a versatile layout for fishing trips, family days and relaxed cruising. Built with Alumacraft's well-regarded aluminium construction, this 16-foot class sport boat offers the confidence to explore lakes and rivers while remaining simple to tow, launch and store. The Yamaha F70LB outboard adds smooth, efficient power that suits anglers heading out at dawn just as well as families enjoying an afternoon on the water, while the included trailer makes the full package ready for weekend adventures. With its practical seating, fish-friendly design and manageable size, the Classic 165 Sport is ideal for those who want a capable boat that feels comfortable, reliable and fun from the first cast to the ride back to the ramp.
