**Dimensions:** 0.00in x 0.00in x 0.00in

**Price: \$16,500.00**

## Description

The used 2006 Stingray 220DR is a well-rounded deck boat designed for boaters who want the space of a pontoon with the sporty feel of a bowrider, making it a smart choice for relaxed family cruising, watersports and sunny days at anchor. With its generous open layout, comfortable seating and practical swim platform, this model is built for making the most of time on the water, whether you are towing a wakeboarder, packing a picnic for a quiet cove, or taking friends out for an afternoon cruise. Stingray is known for efficient hull design, and the 220DR offers confident handling with a lively, responsive ride that suits both newer boat owners and experienced skippers. As a used boat, a 2006 Stingray 220DR should be assessed for engine condition, service history, upholstery wear, gelcoat finish and trailer quality where included, but a well-maintained example can deliver excellent value and plenty of boating enjoyment without the cost of buying new.
