Short Description

With a Yamaha VF250XB Outboard Engine.

Description

The 2026 Godfrey MC235SDB Tripletoon in Pacific Smooth with Carbon Fiber styling and a Yamaha VF250XB 250 hp outboard is built for boaters who want comfort, confident performance and a polished on-water presence in one versatile package. Designed for relaxed cruising, lively days with family and smooth handling across open water, this tripletoon pairs Godfrey's reputation for spacious pontoon layouts with the dependable strength of Yamaha power. Picture setting off for a morning cruise, settling into plush seating, then opening up the throttle when the water invites a little excitement; the MC235SDB is made to feel equally at home during quiet coves, social afternoons and sunset runs back to the dock. Its distinctive Pacific Smooth and Carbon Fibre finish gives it a modern, premium look, while the 250 hp Yamaha VF250XB provides the responsive acceleration and control many owners look for in a high-quality performance pontoon. For anyone comparing luxury pontoons, family boats or tripletoon models for sale, the 2026 Godfrey MC235SDB offers an appealing blend of style, space and capability.
