Yamaha twin F300XSB2

Description
The 2027 Jeanneau TH33 with Yamaha twin F300XSB2 outboards is a compelling choice for boaters who want confident offshore performance, refined comfort and the versatility to turn every outing into something memorable. Powered by twin 300 hp Yamaha F300XSB2 engines, this model offers strong acceleration, smooth handling and dependable control, whether you are cruising the coastline, heading to a favourite anchorage or enjoying a spirited day on the water with family and friends. Jeanneau's reputation for clever design is evident in the TH33's balanced layout, where sociable deck spaces, practical storage and premium finishes come together to create a boat that feels equally ready for relaxed entertaining or purposeful adventure. For those seeking a modern 33-foot class boat with the reassurance of Yamaha performance, the 2027 Jeanneau TH33 delivers an appealing blend of style, capability and everyday usability.
