Description
The used 2**024 Godfrey AP255DFL** is an inviting choice for boaters who want a modern pontoon with plenty of room to relax, entertain and enjoy long days on the water, offering the kind of layout that makes every outing feel effortless.

• Designed with a dual-facing lounge configuration, it gives guests comfortable seating options whether cruising, anchoring or watching the shoreline drift by. • Its 25-foot class size provides generous deck space, making it well suited for family trips, social gatherings and laid-back weekend adventures.

• Godfrey’s reputation for quality construction and thoughtful details can be seen in the AP255DFL’s premium upholstery, practical storage and refined helm design.

• As a used 2024 model, it may offer excellent value for buyers looking for near-new styling and features without stepping into a brand-new price point.

• Whether you picture morning coffee at the dock, an afternoon swim stop or a sunset cruise with friends, the Godfrey AP255DFL delivers a comfortable, capable and stylish pontoon experience.
