Description
The 2027 Evotti 721CS powered by the Yamaha VF175XB is a capable and stylish choice for boaters who want a versatile craft that feels equally at home on relaxed family outings and action-packed weekends on the water. With Yamaha's 175 hp V MAX SHO outboard delivering responsive acceleration, dependable performance and efficient running, this model offers the kind of confidence that makes every trip feel smooth from the moment you leave the pontoon. Whether you are heading out for a morning fishing session, towing water toys in the afternoon or enjoying a sunset cruise with friends, the 721CS is designed to balance practicality, comfort and fun. Key highlights include:

- Yamaha VF175XB outboard power for strong, responsive and reliable performance.
- A versatile layout suited to cruising, fishing, watersports and family days afloat.
- Confident handling designed to make manoeuvring and longer runs feel composed.
- Comfort-focused seating and onboard space for relaxed time with guests.
- A smart option for boaters seeking modern style, everyday usability and dependable Yamaha engineering.
