Description
The 2027 Stingray 17 DC is a smart choice for boaters who want an easy-to-handle dual-console boat with the comfort, versatility and sporty feel Stingray is known for. Designed for relaxed cruising, watersports and sunny weekends with family or friends, this compact model is ideal for first-time owners as well as experienced boaters looking for a nimble, low-fuss runabout.

• **Dual-console layout:** Offers a practical walk-through design with comfortable seating for social days on the water.

• **Family-friendly boating:** Well suited to lake cruising, swimming stops and towing a tube for a bit of fun.

• **Compact and manageable:** The 17-foot class makes launching, docking and storage more straightforward.

• **Stingray performance:** Built with the brand’s reputation for efficient, responsive handling.

• **Great everyday versatility:** A handy option for quick evening cruises, weekend adventures or introducing new boaters to life afloat.
