Description
The **2027 Stingray 23OSX** is designed for boaters who want a smart blend of sporty performance, family comfort and easy-going versatility in one stylish outboard-powered package. Picture a bright Saturday morning at the marina: the cool box is packed, the tow rope is ready, and everyone has a favourite seat before the first line is even cast off. This model is expected to appeal to those who enjoy everything from relaxed coastal cruising to watersports and casual anchoring with friends. Key highlights include:

• spacious open-bow seating for social cruising

• outboard power for efficient handling and easier maintenance

• a practical cockpit layout suited to families and guests

• sporty Stingray styling with a confident on-water profile

• room for day-trip essentials, watersports gear and comfort features

• a versatile design that works well for cruising, swimming, tubing or simply enjoying the view. For anyone seeking a modern runabout with the feel of a premium day boat, the 2027 Stingray 23OSX offers an appealing mix of fun, function and freedom.
